Posted Date	Note
05/19/2022 19:14	<p>On 5/19/2022 at approximately 1400 hours I responded to Route 24 Eastbound in the area of exit 9 to assist with a multi car motor vehicle collision. Upon arrival it was determined that this was a fatal motor vehicle collision. One of the vehicles involved was determined to be a grey Tesla with no front license plate and the rear plate not visible. Medics advised me that the driver/occupant was [REDACTED]</p> <p>While attempting to assist with identifying the driver, I retrieved the registration from the vehicle's glove compartment and determined that the registered owner was from Short Hills, NJ. I was unsure if the registered owner was the one driving due to the [REDACTED]. I turned over the documents to Officer Lester Manuyag of Millburn Police and advised him the [REDACTED] victim was possibly a Millburn resident. I had no further action with informing next of kin or family members to any victims involved.</p>
05/19/2022 17:15	<p>On 05-19-2022, at approximately 1400 hours, PO Kwiatek, Garita and I were dispatched to the area of Route 24 East, just past the Hobart Avenue on-ramp, for a multiple motor vehicle accident. Dispatch advised that a tractor trailer struck multiple vehicles, and there were [REDACTED].</p> <p>Upon arrival, I initially observed a vehicle bearing NJ registration [REDACTED], completely disabled, with its roof fully removed, collided with a second vehicle (unknown reg) on the right shoulder of Route 24 East. As PO Garita approached the vehicle, he observed an [REDACTED], sole occupant in the driver seat. PO Garita [REDACTED]. PO Garita then checked the second vehicle and located an unidentified female [REDACTED] in the driver seat of the vehicle. FD and medics arrived on scene and [REDACTED].</p> <p>As PO Garita was assisting the initial two vehicles, I noticed a second incident approximately 100ft east on Route 24. I observed a tractor trailer (unknown registration, American Carrier Transport USDOT 1143006), disabled that was crashed into the rear of a third vehicle bearing NJ registration [REDACTED]. As I approached the vehicle, I observed one unidentified male occupant [REDACTED], laying across the front seat of the vehicle. I immediately notified the FD since the vehicle's doors were pinned closed and they responded to render aid. While myself and PO Garita established initial contact, Sergeant Buntin, Sergeant Daly, PO Kwiatek, Detective Brunetto, PO Deets, PO Franchino and PO Reinecke arrived on scene. PO Reinecke observed a fourth vehicle bearing NJ registration [REDACTED], involved in the accident with extensive rear bumper damage. PO Reinecke made contact with the unknown driver, who was [REDACTED].</p> <p>Sgt. Buntin assumed command of the scene and requested Med-Evac units to respond to the scene. Additional FD units, Medical units, surrounding PD units and State Police responded to the scene. FD units were staged near both scenes, and traffic was secure on route 24 east before the accident. Sergeant Daly, PO Kwiatek, PO Deets and I secured a section of Route 24 East, just after the accident to prepare for the State Police Helicopter units response. Upon arrival, the unknown patient in vehicle ([REDACTED]), was [REDACTED]. The other unknown woman from the second vehicle (unknown registration) was [REDACTED].</p> <p>State Police arrived on scene and assumed control of the accident. Summit PD remained on the scene to provide aid with traffic control while they conducted their investigation. Once State Police secured the scene fully, Summit PD units cleared the scene.</p>
