Re: OPRA Request 2024-00092

Dear Ms. Rodriguez:

I am writing in response to your clarified request submitted pursuant to the Open Public Records Act ("OPRA").

Your OPRA request is set forth below:

I'd like to narrow my request to obtain the body camera video from the first officer on scene.

The City has identified two body camera videos responsive to your request. The table below identifies the records that are being denied, in whole or in part, that are responsive to your request, as well as the legal basis for each denial, as required by New Jersey law. See N.J.S.A. 47:1A-6.

List of all records provided, with redactions, or denied in their entirety.	If records are disclosed with redactions, give a general nature description of the redactions.	If records were denied in their entirety, give a general nature description of the record.	List the legal explanation and statutory citation for the denial of access to records in their entirety or with redactions.
